e3\*2007/46\*0508\*18  
e3\*2007/46\*0508\*20**

Production dates **09.11.2021 - 07.05.2024**

Company recall code **74B**

Product description **Plug-in hybrid electric passenger car.**

Risk type **Injuries**

Risk description **The electrical cable connection to the vehicle's Integrated Dual Charge Module (IDCM) may not be tightened to the correct torque. This can result in the 12-volt battery not being charged, which can cause the vehicle to shut down unexpectedly, thereby increasing the risk of an accident and injuries.**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

**The product does not comply with the Regulation on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.**

Country of origin

**Italy**

Measures taken by economic operators
